Blue Maple is one of Australia's premier project management services companies with portfolio, program and project management capability.

Blue Maple training services encompass the key project and program management certification courses. Courses are held on a public basis or can be organised inhouse for clients who require a course onsite.

Blue Maple consulting offers experienced professionals to help you lift your project success rate. This may be through assistance with your application of a method such as PRINCE2® or providing project assurance on your projects.

Services include:

- ▶ **Project Initiation services**
- ▶ **Post Project Reviews facilitation**
- ▶ **Project Health Checks**
- ▶ **Mentoring**
- ▶ **Project Assurance**
- ▶ **Customised training courses**
- ▶ **Portfolio and Program advice**
- ▶ **And more...**

Blue Maple's aim is to make the theory come to life by demonstrating practical application of strong project and program management practice. We understand that the theory may be interesting but its results that matter.
